

Goa Institute of Management

PGDM/PGDM-BDA,Healthcare/Banking, Insurance, and Financial Services.

GIM prepares students to be responsive and responsible leaders, making a difference in society. We offer four two-year full-time PGDM programmes, including PGDM, PGDM-Healthcare Management, PGDM-Big Data Analytics, and PGDM-Banking, Insurance, and Financial Services. We also offer the Fellow Program in Management and a hybrid program for working executives

Eligibility

Applications for Admission to full time PGDM programmes are invited from graduates. Shortlisted candidates are invited for a further evaluation.

Minimum 50% aggregate in Bachelor's Degree

*Candidates who will complete all requirements for the degree by June 2024 may also apply. Candidates in the last year of degree should have obtained minimum 50% aggregate (45% for SC/ST category) in the latest examination.

Must have taken/ appeared for any one of the following:

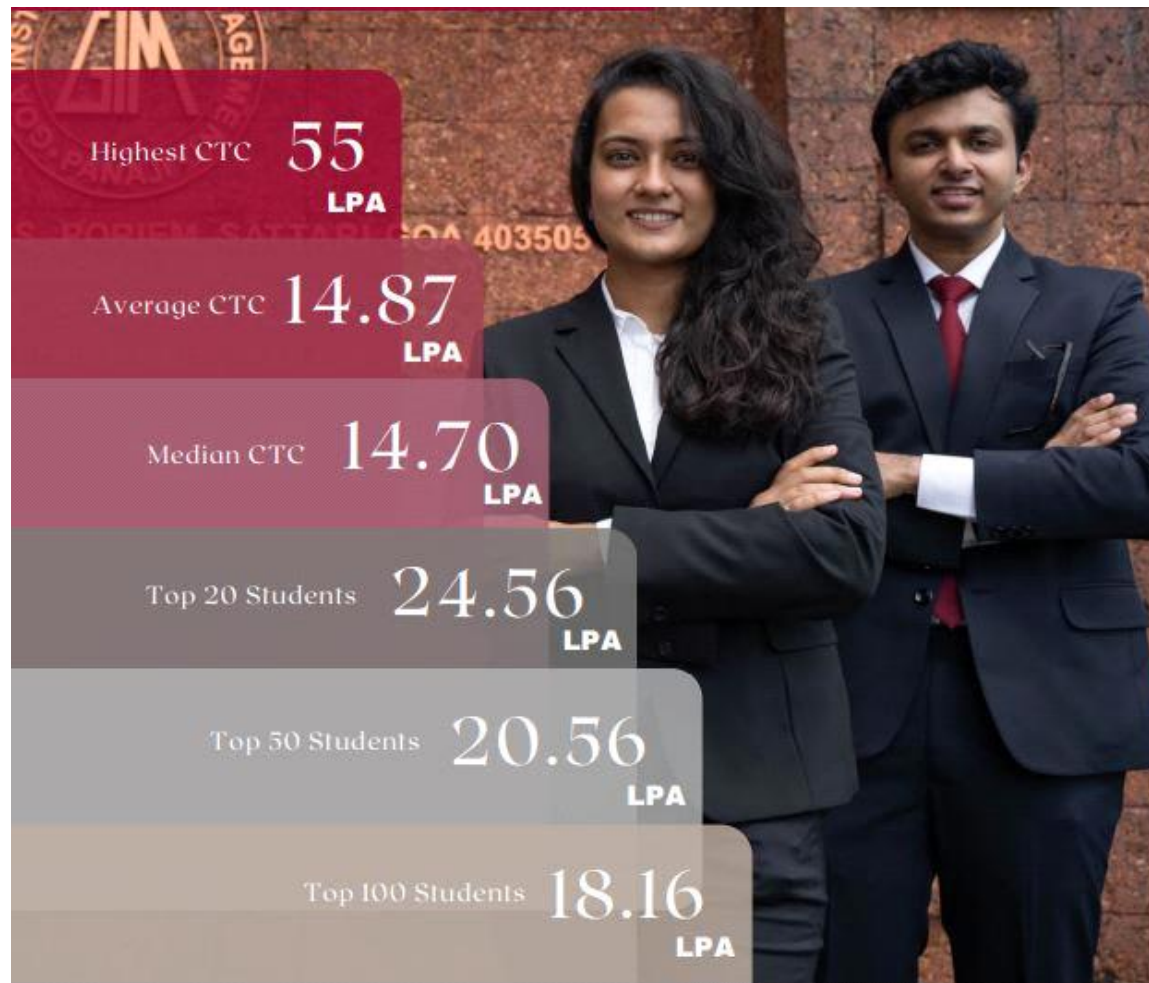

XAT 2024 (Applicants under Achievers/ELITE round may also apply using XAT 2023)

CAT 2023 (Applicants under Achievers/ELITE round may also apply using CAT 2022)

GMAT taken between 01 January 2022 to 15 January 2024. Ask GMAC to send the score by 31 January 2024. The GMAT code for GIM is 6VN-62-51
