

National Institute of Technology , Kurukshetra

MBA PROGRAMME

Responding to an increasing demand for management professionals in the country and keeping in line with its stated goal of regularly adding new courses as a part of its 20-year growth plan, NITK has started an MBA programme, effective 2006-07. With the introduction of the programme, the Institute extends its long years of expertise into the field of Business Administration, thus fulfilling its commitment to the business world and the society at large of developing professional managers with varied competencies and ethical values.
