Admission Brochure

Dharmasthala

The word 'Dharma' traditionally means religion, ritual, duty, righteousness, and alms. It also implies justice, truthfulness, freedom from fear, faith, solace, fulfillment and peace.

Dharmasthala is the perfect embodiment of the word “Dharma” for it displays every shade of meaning with which this word is inspired from.

- ★ To those that come for worship, Dharmasthala represents religious tolerance wherein caste, creed and faith of pilgrims are no bars.
- ★ To those that come for justice at Dharmasthala without any legal formality or argument Shri Heggade dispenses justice, acting in the tradition of his ancestral role as the Heggade and as representative of the presiding deity.
- ★ To those that come in need, Dharmasthala is an Oasis, where succour, solace and hope abound in the serenity of the temple and in the free hostelleries that provide food and shelter.
- ★ And, to those that come in curiosity, Dharmasthala is a miracle of paradoxes. Here different faiths co-exist in harmony just as traditions make room for experimental services. High or low, rich or poor, devout or atheist, at Dharmasthala all are equal.

Having expanded the meaning of Dharma to encompass the advancement of society at large, Dharmasthala has played an active role in bettering the lives of communities far and wide. Its initiatives have aimed at renewing the faith and hope within, so that people may be helped to help themselves.

SDMIMD is promoted by Shri Dharmasthala Manjunatheshwara Educational Trust. Under the inspiring leadership of our Chairman, Dr.D.Veerendra Heggade, the trust has played an active role in empowering people and bettering the lives of communities in Southern Karnataka.

In line with the movement to align with the Sustainable Development Goals (SDGs) announced by the UN, and the prominence being given to the Environmental-Social-Governance (ESG) dimensions, SDMIMD will be offering a modular specialization and certification for students to study ESG-related courses in addition to their chosen PGDM specialization. The Institute has planned several activities in this regard including MDPs, conferences, and conclaves.

THE INSTITUTE

Shri Dharmasthala Manjunatheshwara Institute for Management Development (SDMIMD), a premier B School located in Mysuru, was established in 1993 with the objective of providing quality management education based on a firm foundation of Indian values and ethics.

SDMIMD is promoted by Shri Dharmasthala Manjunatheshwara Educational Trust, a much admired non-profit educational trust that runs over 40 recognized educational institutions in Karnataka, including Engineering, Medical and Dental colleges. Part of the venerable 700 year old Shri Dharmasthala Temple, the Trust under the able leadership of our visionary Chairman, Dr. D. Veerendra Heggade has played an active role in empowering people and bettering the lives of communities in Karnataka.

SDMIMD's flagship offering is a two year, full time, residential Post Graduate Diploma in Management (PGDM) program which is approved by AICTE and accredited by NBA. The program has also been recognized as equivalent to MBA by Association of Indian Universities.

SDMIMD's PGDM Program is accredited by ACBSP (Accreditation Council for Business Schools and Programs), USA. and EFMD (European Foundation for Management Development), thus becoming the first institute in India to get the dual accreditation of ACBSP and EFMD-EPAS and we continue to be the only school which has EPAS (now this is called EFMD Program accredited). The Institute is also now a Member of AACSB (Association to Advance Collegiate Schools of Business) bringing it on a contact base with leading B Schools of the world. SDMIMD is only the second school in the country to be assessed for comprehensive impact assessment and has been awarded BSIS (Business School Impact System) certification by EFMD. The Institute also has Diamond Rating by QS-I Gauge, Indian wing of the global ranking agency QS World Rankings, London.

With the intention of strengthening the PGDM program and providing students and faculty with international exposure, the Institute has entered into partnership with over fifteen universities across the globe.

SDMIMD takes immense pride in its distinguished faculty, comprising renowned scholars in their respective fields who inspire through impactful teaching and extensive research contributions. The institute is committed to academic rigour and fosters a holistic learning environment that nurtures socially conscious leaders and responsible managers. With learner-centric pedagogies and an industry-aligned curriculum, SDMIMD fosters a vibrant educational environment that empowers students to excel and contribute positively to society.

The students of SDMIMD are highly sought after by the Industry due to their exceptional academic training, ethical values, and practical skills. With consistent placement records and strong industry connections, they are well-equipped to make a meaningful impact in the corporate world.

ACCREDITATION

SDMIMD has been accredited by two leading international agencies – EFMD and ACBSP. The processes involved going through the rigour of course-outcome management, enhancing research output and having proper quality control in place. Further, the National Board of Accreditation (NBA) renewed its accreditation of the PGDM Program for a further period three years till June 2024. It may be recalled that, late in 2019, we have also gone through the process of assessing the impact that the Institute is making on its various stakeholders by Business Schools Impact System (BSIS). The evaluation involved critical study of detailed reports on various areas of impact and an independent assessment by an expert team. SDMIMD is now one of a small number of Institutes the world over which has its impact certified and acknowledged by an international agency like EFMD.

EFMD Program Accreditation

Recognizing the quality of management education and internationalization, the global accreditation body **European Foundation for Management Development (EFMD)** has awarded the prestigious EFMD Program Accreditation to SDMIMD's flagship PGDM program. SDMIMD is the first Indian B-school to receive EFMD Program Accreditation. It may be recalled that the originally accreditation was accorded in 2017 for 3 years and renewed for a further period of 3 years in 2020 and again for 3 years in March 2022.

ACBSP

SDMIMD received the International accreditation from **Accreditation Council for Business Schools and Programs (ACBSP)**, USA in 2016. The accreditation is valid for 10 years. SDMIMD is the first and only B School in India to get dual accreditation from EFMD and ACBSP. These accreditations help students to learn from an environment that meets global quality standards and international orientation.

AACSB, USA

SDMIMD has been a member of AACSB since 2012 and in 2022, has commenced the accreditation process. We are hopeful of securing the AACSB Accreditation in 2025.

QS I Gauge

Recognizing the overall excellent practices at SDMIMD, **QS I Gauge**, the Indian wing of the global ranking agency QS, has rated us in the highest Diamond category. These rankings and accreditation are a vindication of our efforts towards total quality. These have certainly helped us in our visibility and consequently better acceptance by the corporate houses and admission-aspirants.

BSIS

The Business School Impact System (BSIS) impact label to SDMIMD has added another feather to its cap with 2 International Accreditations. The BSIS impact has made SDMIMD continuously identify, measure and assess the impact on society at large.

NBA

The renewed three year accreditation for PGDM program by **National Board of Accreditation (NBA)** has continued to inspire us to maintain the best practice. The present accreditation is valid till 2024.
